

2011 MILLION POUND LIFT-A-THON

FROM:

SUBJECT: 3rd Annual 2011 Lift-A-Thon

On **Tuesday night March 22nd**, the Waterloo West Football Program will be lifting **1 million pounds** as an entire football program consisting of grades 9-11. This event is our fundraiser for the football program which allows us the ability to go to camps and have the best equipment and apparel as a football program. **The Lift-A-Thon will take place in the weight room at Waterloo West High School at 6:00 p.m. on March 22nd and is open to the public to come and watch.** I was wondering if you would be willing to sponsor me for the Lift-A-Thon with a donation that will allow me to earn great prizes from the list below from my total amount fundraised. If you are willing to sponsor me, you can pledge an amount per pound lifted or a flat fee donation which can be mailed or brought to **Waterloo West High Athletic Office (or online <http://www.wahawkfootballcamps.com/index.cfm>)**. If your donation is in by the **30th of April**, this will ensure that my prizes will be here before the summer workouts start. If you choose not to donate, thank you for taking the time to read this and I appreciate your support as we prepare for a great season in 2011! Thank You

Sincerely
